Port of Vancouver each day

About one in every five dollars of  
goods traded by Canada goes through  
the port (About 20% of our country's  
traded goods)

An infographic centered around a large green circle representing the Earth. The background is a stylized illustration of Greater Vancouver, featuring a white airplane flying over mountains, a high-speed train on a track, a modern airport terminal, a control tower, a city skyline with skyscrapers, a port with cranes and a cargo ship, a residential neighborhood with houses and trees, and a person on a bicycle. The statistics are connected to the central image by grey lines with yellow circular markers.
