The Vancouver Board of Trade

Benefits of Membership

Membership in The Vancouver Board of Trade opens doors to a world of new business opportunities. No other organization offers its members as many quality business-building activities and services. Members enjoy a variety of benefits, including international reciprocal memberships, a luncheon facility, a comprehensive company employee benefits program and an employee recruitment package — among many others.

The following members have agreed to offer specific benefits as an added value to Board membership. If our sponsors see increased use from our membership, the rates and benefits will not only be better next year, but other companies will come forward and offer their services at preferred rates as well.

For more information on these benefits, please call the benefit provider directly. The following benefits are valid until April 30, 2009. Rates are subject to change. Visit www.boardoftrade.com regularly for updates. To offer benefits to fellow Board of Trade members, please email info@boardoftrade.com or call 604-641-1260.
