Dear Roy,

On behalf of the 5,500 members of The Vancouver Board of Trade, I want to thank and congratulate Global BC, as well as Jimmy Pattison, HSBC, TELUS, Coast Capital Savings and all the other businesses, organizations and individuals who are helping raise funds for the restoration and clean up of Stanley Park.

When our City was incorporated in 1886, the creation of Stanley Park and The Vancouver Board of Trade were among the very first decisions made by the citizens and businesses of Vancouver. Our community has been able to count on the business community to step up and do its part ever since.

The Vancouver Board of Trade will be calling on its members across the Lower Mainland to be part of Global's telethon in support of Stanley Park. Meanwhile, hats off to the entire team at Global and all those who are doing their part and more, on behalf of the park that is an icon, not just for Vancouver, but our entire beautiful province.

Yours truly,

Frank S. Borowicz, QC, CA (Hon)

Dear Member,

Re: Stanley Park Restoration Telethon on Global Television

As you may know, efforts are underway to help fund the clean up and restoration of Stanley Park after the devastation caused by last month's major storms.

The creation of The Vancouver Board of Trade and Stanley Park were two of the very earliest decisions made by our City's citizens and business community when Vancouver was incorporated in 1886.

So in cooperation with our Spirit of Vancouver Campaign, we are encouraging all of our 5,500 individual and business members to support Global BC's telethon this week.

The Stanley Park telethon is on-air 5:00 p.m. – 7:00 p.m. this entire week. If you would like to make a donation, please call (604) 280-6397 or toll-free at 1 (877) 330-6397.

Already a number of our members have stepped up to support the restoration effort. Coast Capital Savings has made a donation of \$10,000, TELUS contributed \$100,000, HSBC committed \$300,000 and Jim Pattison is matching dollar for dollar up to \$1 million (NOTE: the firm deadline for matching donations from Mr. Pattison is at the end of Global's News Hour at 7:00 p.m. this Friday, January 12th) and challenges other corporations to do the same.

All proceeds will go directly to the Vancouver Park Board to aid the clean up and restoration of Stanley Park.

For more than a century, Vancouver has counted on its business community to help build a better City. Once again, we need to come to the aid of our community, this time in support of Stanley Park and all it means to Vancouver.

On behalf of The Vancouver Board of Trade and Spirit of Vancouver[®], thank you for your enthusiastic support.

Yours truly,

Frank S. Borowicz, QC, CA (Hon)
