

BCIT SKILLS FOR EMERGING LEADERS COURSE

This practical BCIT course will provide emerging leaders with timely and applicable skills to improve team performance, collaborate effectively with others, and better manage change in the workplace. This will be achieved through role playing, lectures, group activities, practice sessions, as well as online assignments.

COURSE LEARNING OUTCOMES:

Career Leadership

Identify emerging trends to excel in today's workplace. Learn keys to effective interaction and building credibility.

Personal Leadership

Demonstrate assertive leadership and conduct a values assessment. Learn to build emotional intelligence, listen effectively, and improve presentation skills.

Team Leadership

Create successful teams and understand the stages of team development. Embrace diversity and change in the workplace.

Performance Leadership

Assign accountability to meet objectives. Foster innovation and provide effective constructive feedback.
